## Our 6 Challenges

In Women's Ministries we have identified six primary challenge issues facing women, obstacles to being all that the Creator God made them to be. These issues affect women in and out of the Church, in all countries of the world, although often to varying degrees. Challenges can be opportunities for outreach and witness – to address the needs women face.

## WELCOME

You are visiting the website of the Department of Women's Ministries of the General Conference of Seventh-day Adventists. We are dedicated to strengthening women, empower them, empower them so they can reach out and meet women in society and Church.

At this site you will find resources, news, infos, materials and events along with information about who we are, our organization of Adventist Women's Ministries, church statements on different issues, and our mission and philosophy.

# My God Loves

Without Restraint

Many have tried to determine what constitutes the essential human endeavor. For some it is to be known and for others it is to be loved. For many it is to make a lasting mark on the world so that the impact of one's life continues to have significance.
